CIRCULAR

Some of the students have requested the deans of the colleges where they have taken admission to graduate program to permit them to take final and/or supplementary examinations at other colleges mentioning various reasons including health status. In the past, during COVID-19 pandemic period students were permitted to take final and/or supplementary examinations at the nearest colleges of their residence.

As per the Academic Information & Regulation for Graduate program, 2021-22, there is no provision or permission to take any final and/or supplementary examinations at colleges other than the college where student has taken admission.

Therefore, all Deans of the colleges of UHSB are hereby informed to the follow the guidelines of Academic Information & Regulation for Graduate program, 2021-22. However, provision to take any final and/or supplementary examinations at colleges other than the college where student has taken admission can be made for post-final year students (after completion of 4 year residential period) after discussing this agenda in the forthcoming Board of Studies (BOS)-GP- and academic council meetings.
